- Purges, cleans and protects water lines, filter and spa heater.

Complete Spa Water and Surface Protection

Easiest and most effective way to keep spas and hot tubs consistently clean

Weekly

Monthly

Spatec® Spa WATER Treatment

Spatec® makes it easy for you to keep your spa water consistently treated, clean and ready to enjoy at all times. Spatec® promotes a more natural and relaxing spa water experience that is gentle and soft on your skin and eyes. Spatec® also prevents algae growths and keeps spa water crystal clear. Bathers can use spa immediately after treatment. Spatec is compatible with all types of spa sanitizers.

Beautec® Spa SURFACE Treatment

Beautec® cleans and protects all spa surfaces from calcium buildup, all unsightly scales, metal stains and oily scum build-up. Beautec® continuously cleans and purges spa plumbing and prevents biofilms. Beautec's® multi-polymers continuously clean spa heater and filter unit and remove existing buildup. Beautec is gentle on your skin, eyes and swimwear. Monthly dosages keep your spa clean and looking like new.
