ALGATEC® The Chlorine-Synergy Algaecide

Quickly Kills Most Algae in 4 to 24 Hours

1 Kills All Algae Fast!

Algatec® Is a strong, chlorine synergy algaecide that quickly kills green, yellow and black algae. Easy to use for algae removal and cleanup.

- **Superior effectiveness and fast results.**
- **Eradicates even the most difficult algae types.**
- **Leaves pool water pristine clear.**

2 Results Within 4-24 Hours.

Algatec® quickly combats algae growth and helps prevent new growth due to its broad spectrum functions.

- **Ready to use...No mixing required.**
- **Swim immediately after treatment.**
- **Metal free, non-hazardous, and will not stain or cause foam.**

3 Highly Effective With Chlorine.

Algatec's® powerful synergy with all types of chlorine sanitizers enhances algae kill and removal. This unique synergy function makes pool cleanup easier, faster and with less effort.

- **Works with all types of chlorine, dry, liquid and tablets.**
- **Will not consume chlorine like other algaecide.**
- **Often eliminates the use of other cleanup products such as clarifiers and excessive shocking chlorine products.**

HOW IT WORKS:

Algatec's® unique cationic polymeric compound functions as a broad spectrum, non-oxidizing algaecide-microbicide that kills and controls the growth of microorganisms by disturbing their normal metabolic process of the living cell. Algatec® has a powerful synergy with chlorine sanitizers which further enhances algae kill and removal. The product is metal-free, non-hazardous to handle, will not foam, and does not remove chlorine from pool water.
